

WAIVER OF RIGHTS

Some insurance contracts seek to limit or exclude claims where the insured person has limited their rights to recover a loss from the person who was responsible for it, eg by signing an agreement which disclaims or limits the liability of the other party. Please tell us about any contracts of this type which you have or propose to enter into.

STANDARD COVERS

The Regulations to the Insurance Contracts Act set out standard terms for the cover which is provided by motor vehicle, home buildings, home contents, sickness and accident, consumer credit and travel insurance (including a minimum amount of insurance). If an insurer wants to alter these terms or offer less than the minimum amount of insurance they must clearly inform you in writing that they have done so. They can do this by providing you with a Product Disclosure Statement or a copy of the Insurance Contract.

UNUSUAL TERMS

If an Insurer wants to rely on a term in a contract of insurance which is not usually included in contracts that provide similar cover, they must clearly inform you in writing of that term. Again, they may do so by providing you with a copy of the insurance contract.

NEW BUSINESS

You can give us instructions by telephone, mail, email or fax. To begin, we will conduct a fact finding interview where we will discuss your current insurance requirements. This will include information on your existing insurances. The information gathered, enables us to present a written recommendation designed to address your insurance needs. When you are happy with the recommendations, we will oversee document completion and policy implementation.

Where you are entering into a Policy for the first time (that is, it is new business and is not being renewed, varied extended or reinstated) you must tell us everything you know and that a reasonable person in the circumstances could be expected to tell us, in answer to the specific questions we ask.

You risk making a financial commitment that may not be appropriate to your needs and objectives if you do not provide full information or accept the Adviser's recommendation. You should be aware that the provision of appropriate advice may not be possible unless the Adviser is in possession of all the relevant information.

Where we provide general advice only (ie. advice that does not take into account your specific financial situation, objectives and needs), we will give you a Statement Advice Limited at the time and you should consider the product information we provide in deciding whether it is appropriate for your specific financial situation, objectives and needs.

Contact us as soon as possible if you need cover for a risk or property that is not insured. If you need immediate cover, we can usually obtain an interim contract of insurance (which is generally valid for a month or less). To arrange this, we will need details of the property or risk and all other information which you need to disclose to the Insurer.

Where necessary we will send you a proposal for completion. You will need to complete and sign this and return it to us along with payment as soon as possible and before the interim cover expires. Please note that in some cases an interim contract may not be available.

RENEWALS

We will normally give you at least 14 days notice of expiry of any insurance contract which we arrange or last renewed for you. You will always have 14 days notice for payment after you receive your renewal.

At the time we will send you an offer to renew the insurance contract in the form of an invoice for the cost of the renewal. If you want to change the details of the cover, contact us as soon as you receive the renewal offer. If you wish us to renew the contract on your behalf, you must provide us with written instructions to do so and/or pay the premium and other charges before the date shown on the invoice.

In some circumstances we may be able to arrange for the Insurer to cover you temporarily before payment is received, but we cannot guarantee this. **Your Policy expires at 4pm on due date.**

CANCELLATIONS AND VARIATIONS:

If you want to vary or cancel your Insurance Contract, it must be done with written instructions from you. We can not cancel any contract of insurance which is subject to the Marine Insurance Act 1909. No refund of brokerage or fees will be made at anytime as they are deemed to be fully earned at inception of policy.

Some policies (eg. Professional Indemnity Policies) are non cancellable and refunds are not available. Some insurers, underwriting agencies and wholesale brokers may charge penalties for cancellation of a policy after cover has been bound.

CLAIMS

Where claims are not handled direct with the Insurance Underwriters, we will receive your claims notifications, assist and advise you regarding the scope of cover and pass the information to the Insurer.

If a loss adjustor is appointed we shall, with your permission, pass on your contact details and co-ordinate meetings. In the case of a major loss, we can attend the initial meeting with the loss adjustor if requested.

We will promptly forward to you all claims documentation, insurance company settlement cheques and other information.

If any claims are outstanding when you terminate our appointment as your Insurance Broker, we may assist with claims lodgement on your behalf subject to a claim service fee of **\$350.00** per hour plus GST.

Please note all decisions to pay or deny claims are made by your insurer. As insurance brokers we represent you and can only assist with lodgement of your claim and other related matters on your behalf.

When recommending products that involve significant additional commission payments we are careful to ensure the advice provided is appropriate and driven by the client's needs rather than our income.

UNDERWRITER ADMINISTRATION

PROTECTING YOUR PRIVACY

THE WAY WE HANDLE YOUR PERSONAL INFORMATION

We collect personal information for the purpose of providing you with appropriate insurance products, advice. You can choose not to provide personal information; however, we may refuse and be unable to process your request.

We may disclose information we hold about you to other insurers, an insurance reference service or as required by law. In the event of a claim, we may disclose information about you to investigators or legal advisors.

You are free to access and update your personal information when required.

YOUR DUTY OF DISCLOSURE

Before you enter into a Contract of General Insurance with an Insurer, you have a duty of under the Insurance Contracts Act 1984 to disclose to the Insurer every matter that, you know or could reasonably expect to know, is relevant to the Insurer's decision whether to accept the risk of insurance, and if so, on what terms. You have the same duty to disclose those matters to the Insurer before you renew, extend, vary or reinstate a Contract of General Insurance. Your duty however does not require disclosure of matter:

- that is common knowledge
- that diminishes the risk to be undertaken by the Insurer
- that your Insurer knows or, in the ordinary course of business ought to know
- as to which the compliance with your duty is waived by the Insurer

NON-DISCLOSURE

If you fail to comply with your duty of disclosure the Insurer may be entitled to reduce the liability under the Contract in respect of a claim or may cancel the Contract. If your non-disclosure is fraudulent, the Insurer may also have the option of avoiding the Contract from its beginning.

COOLING OFF INFORMATION - Retail Insurance Only

You have a cooling off period. During the cooling-off period, you may return your insurance contract to us and cancel the contract.

You may do this by notifying us in writing or electronically. You may exercise this right during the period of 14 days starting on the earlier of:

- the time you received confirmation of this insurance transaction or
 - the end of the 5th day after the day on which this insurance contract was issued to you.
- You cannot exercise your right at any time after:
- you have exercised a right or power under your insurance contract. (e.g. you have made a claim) or:
 - your rights or powers under your insurance contract has ended.

If your insurance contract is for an event that will start and finish within the 14 day cooling-off period, you can only exercise your right before the event starts or the expiry of the cooling-off period, whichever is the earlier. For example, for travel insurance, the commencement of the journey is the event.

If you exercise your right to return this insurance contract then it is terminated with effect from that time.

You will receive a pro rata refund. Deductions are for

- any non-refundable tax or duty paid.
- any reasonable administrative and transaction costs.

SUMS INSURED – AVERAGE AND CO-INSURANCE

Some insurance contracts require you to bear a proportion of each loss or claim if the sum insured is inadequate to cover the amount of the loss. These provisions are called 'average' or 'co-insurance' clauses. If you do not want to bear a proportion of any loss, when you arrange or renew your contract of insurance, you must ensure that the amount for which you insure is adequate to cover the full potential of any loss. If you insure on a new for old basis, the sum insured must be sufficient to cover the new replacement cost of the property.

INTERESTS OF OTHER PARTIES

Some insurance contracts do not cover the interest in the insured property or risk of any one other than the person named in the contract. Common examples are where property is jointly owned or subject to finance but the contract only names one owner or does not name the financier. Please tell us about everyone who has an interest in the property insured so that we can ensure that they are noted on the contract of insurance.
